Record 482 Student-Athletes named to 2011 PFL Honor Roll

ST. LOUIS, Mo. – The Pioneer Football League announced a record 482 football student-athletes from its 10 member institutions were named to the league's Academic Honor Roll for the Fall 2011 semester.

It is the third consecutive year the PFL has announced a record number of students to its honor roll with its current 10 member institutions. It also is the fifth consecutive year the league has seen an increase in the number of students recognized on its honor roll.

Five member schools reported a record number of student-athletes from their respective institutions. Dayton led all members with a school-record 72 student-athletes. Butler (68), Davidson (64), Drake (61) and Campbell (56) also reported school-record honorees. That quintet was followed by San Diego (42), Morehead State (32), Valparaiso (32), Jacksonville (28) and Marist (27).

Pioneer Football League athletic directors and coaches established the honor roll as a way to recognize the league's outstanding student-athletes. The academic honor roll consists of student-athletes who participated in football at member institutions during the fall semester and posted a 3.0 grade-point average or higher during the semester while enrolled full-time in accordance with NCAA rules.
