

DEAR DOLPHIN FAN

Our Dolphins put together another fantastic year, winning six more championships and earning three NCAA Tournament berths! It all got started with head football coach Kerwin Bell leading the Dolphins to a recording setting 10-1 record, our second Pioneer Football League title in three years, and a final ranking of No. 21 in the Football Championship Series Top 25 poll.

Not to be out done, head coach Ron Grigg helped the track & field team sweep of the A-Sun indoor and outdoor titles for the sixth straight season (12 championships total), while Mindy McCord guided the women's lacrosse team to a National Lacrosse Championship regular season title in just its second year of existence. Last but certainly not least, the softball team finished with a program-record 44 wins to secure the A-Sun regular season championship. They also won the conference tournament to secure their first berth in the NCAA Tournament.

In addition to that tremendous success, our women's soccer and women's basketball teams each advanced to the championship game of their tournaments. Head men's basketball coach Cliff Warren helped the Dolphins to their second straight 20-win season and got a victory in a postseason for the second straight year. The baseball program, who earned another spot in the NCAA Tournament (their fourth in the last six years) with 37 victories. The Dolphins also handed College World Series runner-up Florida its worse loss at home, 11-2, on May 17.

Our student-athletes are working harder than ever to win more and they would really love to have your support!
